MISSION

Helping families discover better learning. Daresni connects the family that is searching with the educator who is waiting to be found, making discovery simple, confident and time-efficient.

VISION

The world's most trusted education discovery platform. A world where every family can find the right learning opportunity anywhere, while educators and providers can build sustainable, discoverable careers.

WHAT THE PLATFORM DOES

- Search and compare educator profiles, experience, qualifications, reviews and rates.
- Book online or in-person learning around real availability.
- Process payments through a structured digital booking journey.
- Give tutors and coaches professional profiles, scheduling tools, bookings and tracked earnings.

WHO DARESNI SERVES

Families & learners: a faster way to discover and manage trusted learning options.
Educators: tutors, teachers and coaches seeking visibility, bookings and flexible income.
Learning providers: institutes, training centres and programmes form part of Daresni's broader marketplace direction.

TRUST & SAFETY

Identity verification	Educators complete identity verification before their profile is published.
Certified badge	Qualifications, certifications or relevant professional evidence can be reviewed as an additional trust layer.
Transparent profiles	Families can review educator information, rates and genuine learning-experience reviews before booking.
Structured bookings	Bookings and online payments take place through the platform rather than informal arrangements.
Support & reporting	Users can report inappropriate behaviour or safety concerns to Daresni for review under platform policies.
